Handling Handle in accordance with good industrial hygiene and safety practice
Avoid contact with eyes

First Aid

- IF IN EYES: Flush eyes for at least 15 minutes.
- IF ON SKIN: Wash skin with soap and water.
- IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing
- IF SWALLOWED: Rinse mouth. DO NOT induce vomiting.
- Get medical attention/advice if you feel unwell

Solid Spill Cleanup Sweep up and shovel into suitable containers for disposal. Avoid dust formation. Powdered material may form explosive dust-air mixtures. Do not flush into surface water or sanitary sewer system.

Hazardous Waste This material, as supplied, is not a hazardous waste according to Federal regulations (40 CFR 261). This material could become a hazardous waste if it is mixed with or otherwise comes in contact with a hazardous waste, if chemical additions are made to this material, or if the material is processed or otherwise altered. Consult 40 CFR 261 to determine whether the altered material is a hazardous waste. Consult the appropriate state, regional, or local regulations for additional requirements
