

**SECTION 1: Identification**

<b>Product Name</b>	STAPLES Individual Wrapped Screen wipes- 24pk/ STAPLES Individual Wrapped Screen wipes- 200pk
<b>Product Number</b>	ST63057/ ST63058
<b>Product SKU</b>	24617109/ 24617110
<b>Brand</b>	Staples
<b>Recommended Use</b>	Screen cleaning
<b>Uses advised against</b>	Uses other than those identified on the product label are not recommended.
<b>Supplier Name</b>	Staples Brands Group
<b>Supplier Address</b>	500 Staples Drive
<b>Supplier Phone Number</b>	Framingham MA 01702 USA
<b>SDS Internet Address:</b>	1-888-322-0912 <a href="http://sds.staples.com">http://sds.staples.com</a>
<b><u>Emergency telephone number</u></b>	1-888-322-0912

**SECTION 2: Hazard identification**

**Physical hazards:**  
- Not classified.

**Health hazards:**  
- Not classified

**Environmental hazards:**  
- Not classified.

**UN GHS defined hazards:**  
- Not classified.

**Label elements:**  
- None.

**Fire and explosion danger:**  
- No fire and explosion danger.

**Supplemental Information:**  
- None.

**SECTION 3: Composition/information on ingredients**

No.	Chemicals Name	Content %	CAS No.
1	Water	99.445	7732-18-5
2	Benzalkonium Chloride	0.05	63449-41-2
3	Benzethonium Chloride	0.07	121-54-0
4	Disodium EDTA	0.015	139-33-3
5	Polyquaternium-6	0.02	26062-79-3
6	Trideceth-3	0.05	78330-21-9
7	phenoxyethanol	0.25	122-99-6
8	Methoxyisopropanol	0.1	107-98-2

- Not necessary.

### **Hand protection tools:**

- Normal contact, no protection required.

### **Eye protection tools:**

- Normal contact, no protection required.

### **Respiratory protection tools:**

- Normal contact, no protection required.

### **Other protective tools and equipment:**

- Not necessary.
- 

## SECTION 9: Physical and chemical properties

Information on basic physical and chemical properties:

**Substrate:**

- White wet-strength paper.

**Smell:**

- Slight odor

**pH:**

- 6.0-7.0

**Liquid:**

- The liquid contained in the product will be diluted when encountering water.

**Main use:**

- Used for screens cleaning and disinfection.
- 

**SECTION 10: Stability and reactivity****Stability:**

- Stable

**Incompatibility:**

- Not applicable.

**Hazard of raw materials:**

- Not applicable.

**Hazard of polymer:**

- Stable, not applicable.
- 

**SECTION 11: Toxicological information****Acute Toxicity:**

- No data available

**Irritation:**

- No data available

**Sensitization:**

- No data available

**Mutagenicity:**

- No data available

**Teratogenicity:**

- No data available

**Carcinogenicity:**

- No data available
- 

**SECTION 12: Ecological information****Ecological Toxicity:**

- No data available

**Bio-accumulative potential:**

- No data available

**Mobility in soil:**

- No data available
- 

**SECTION 13: Disposal considerations****Waste discarded:**

- Waste generation should be avoided or minimized. This product shall not be disposed of arbitrarily.

**Packaging:**

- Return to manufacturer or dispose according to national and local regulations.
- 

## **SECTION 14: Transport information**

Be careful of water leakage, high temperature, and high humidity. Check whether there is any damage on the packaging. When loading and unloading, be careful not to impact, drop, turn upside down, or damage the goods. Make sure to prevent the goods from collapsing.

---

## **SECTION 15: Regulatory information**

**PRTR Law:**

- Does not contain specified substances.
- 

## **SECTION 16: Other information**

The information in this safety data sheet does not include all the information and documents, so there may be information leakage, and it cannot be used as a basis for responsibility regarding danger and harmfulness. In addition, the precautions refer to normal handling. If special handling is required, please pay attention to this part of the information.

**Prepared By:** Regulatory Specialist, Staples Brand Group, (508) 253-5000

Always follow label directions carefully when using this or any other chemical product. If information about this product is required, please contact Staples at 1-888-322-0912 or visit our website at [www.staplesadvantage.com](http://www.staplesadvantage.com). Keep Safety Data Sheets filed and organized in an area accessible to workers according to all applicable regulations.
