

83 Wax & Floor Stripper

Low-odor, ultra-concentrated, high-performance wax and finish remover

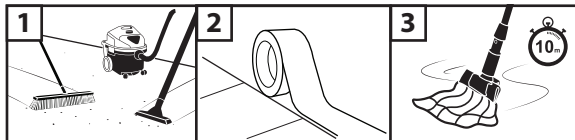

Coastwide Professional™ 83 Wax & Floor Stripper is highly concentrated and high performing. This ultra low odor product is butyl and ammonia free. It has been formulated to remove conventional finishes as well as zinc-free floor finishes, such as Coastwide Professional 80 Floor Finish & Sealer. See side panel for directions for use.

Features

- Dilutes at 1:20 for heavy-buildup conditions
- Formulated to be used in cold water
- Powerful formula removes the heaviest buildups
- Rapid penetration and liquefaction of finish
- Low foam characteristics
- Can also be used as a mop-on and mop-off stripper
- Leaves minimal alkali residues and does not interfere with sealer or finish application

Directions

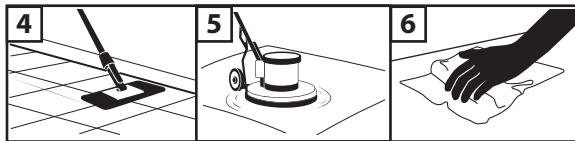

1 Test first in an inconspicuous area.*

Vacuum / sweep to remove loose debris.

Tape / mask edges.

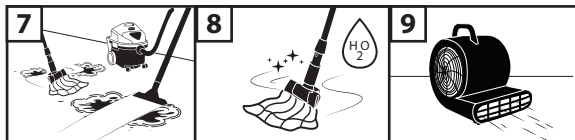

Apply, keep wet for 5-10 minutes.

Scrub edges with utility pad.

Agitate with floor scrubber.

Immediately wipe away overspray.

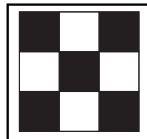

Vacuum / mop up liquid.

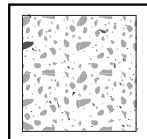

Rinse with clean water.

Dry with fan, if necessary.

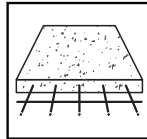

Use On:

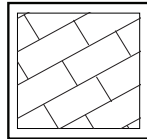

Floors

Terrazzo

Concrete floors

Other resilient flooring
