

A neutral pH one-step cleaner/disinfectant.

Coastwide Professional™ Virustat DC Plus is a half ounce per gallon, no-rinse, neutral pH disinfectant cleaner that disinfects, cleans and deodorizes in one labor-saving step. It provides effective cleaning strength that will not dull most metal-interlock floor finishes, and does not require a rinse prior to recoat. Virustat DC Plus has been formulated to aid in the reduction of cross-contamination and is a one-step disinfectant cleaner that is effective against a broad spectrum of bacteria and viruses, and inhibits the growth of mold and mildew and their odors. Virustat DC Plus is also an effective fungicide against Trichophyton mentagrophytes (the athlete's foot fungus) when used on surfaces in areas such as locker rooms, dressing rooms, shower and bath areas and exercise facilities. Recommended for use in hospitals.
