**KEEP OUT OF REACH OF CHILDREN**  
**DANGER**  
See side panel for precautionary statements.

**FIRST AID**  
In case of emergency, call a poison control center or doctor for treatment advice; show the product container label with you when seeking a poison control center or doctor, or going to treatment.  
**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Continue rinsing.  
**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.  
**IF SWALLOWED:** Rinse mouth to a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Call a poison control center or doctor immediately for treatment advice.  
**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance. Then give artificial respiration, preferably mouth-to-mouth, if possible.  
**NOTE TO PHYSICIAN:** For acute or chronic damage may cause irritation to the eye or gastric lavage.
