

93 Spray Gloss™ Floor Restorer

Buffing solution to boost shine.

Coastwide Professional™ 93 Spray Gloss™ Floor Restorer is a high performance spray buff solution. It has been formulated with special polymers and detergents to remove scratches, scuffs and restore traffic lanes to a high gloss without finish buildups. One quart generally covers over 2,500 square feet (232 square meters) when sprayed lightly onto the floor and followed with buffing or burnishing.

Features

- Low-odor water-based formula
- Meets industry guidelines for slip resistance
- Universally compatible with most sealers and finishes
- Coverage 10,000 square feet per gallon
- Unsurpassed buffability response
- Excellent water and chemical resistance
- Resists heel marking and scuffing
- Excellent soil resistance
- Does not build up
- Easily removed with conventional wax strippers
- Improves water resistance of most finishes
- No petroleum solvents including odorless mineral spirits

Directions

Ensure floor is clean and dry before application.

Working in small areas, apply lightly to floor.

Buff with clean red pad to desired shine.

Use on:

VCT/LVT
