

99 Graffiti Remover

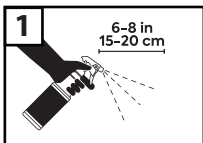

Tough graffiti remover formulated with eco-conscious ingredients.

Coastwide Professional™ 99 Graffiti Remover is a highly effective solution that does not contain acetone, methylene chloride, toluene, methanol or hazardous solvents. It is formulated to remove graffiti, paints, permanent marker and ink.

Features

- Instantly removes permanent marker ink
- Reduced toxicity and VOC emissions
- Removes spray paint in minutes
- Will not contribute to ozone depletion
- No acetone, methylene chloride, toluene, methanol, acids or other hazardous solvents
- Rinses thoroughly with a wet sponge or water rinse
- Removes graffiti from automotive and bus surfaces
- Excellent for brick and concrete surfaces

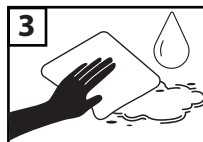

Directions

Apply cleaner to surface.

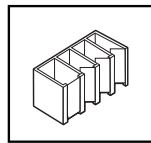

Let set for 90 seconds and scrub for stubborn marks.

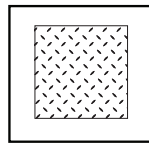

Rinse with water to avoid damage to surfaces.

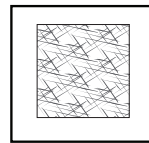

Use On:

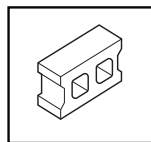

Restroom partitions

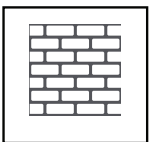

Metal

Fiberglass

Concrete

Brick
