

Dry Air Fresheners

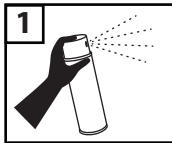

Ultra-fine spray / mist for a long suspension time.

Coastwide Professional™ Dry Air Fresheners combine quality, fragrances and essential oils with state-of-the-art odor counteractants. They quickly eliminate and neutralize foul odor, cigarette smoke, decaying smells and more. Ultra-fine particulate spray spreads evenly. Treat large areas in seconds without fallout or staining. Brighton Professional's aerosol air fresheners are CARB and OTC VOC (Volatile Organic Compound) compliant and contain no ozone depleting materials. Coastwide Professional™ Dry Air Fresheners are powerful and come in a variety of fragrances.

Features

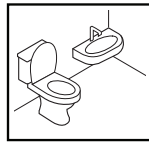

- Eliminates foul odors, leaving a light pleasant scent
- Dual odor counteraction system
- CARB and OTC VOC compliant
- Nonchlorinated, nonozone depleting
- Neutralizes smoke and organic decay odors
- Convenient spray-thru cap
- Ultra-fine mist

Directions

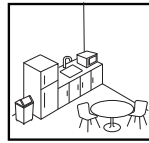

Spray with a wide sweeping motion. Use wherever odors occur and as often as needed to maintain freshness.
