

NEUTRAL MULTI-USE CLEANER

Sustainable Earth

By Staples®

Powerful, neutral multi-use cleaner formulated to clean the most sensitive surfaces

PRODUCT DESCRIPTION

Sustainable Earth by Staples® Neutral Multi-Use Cleaner 64 (SEB64) is a highly efficient cleaner for floors, walls, woodwork, and other washable surfaces. Powerful cleaning agents will quickly remove soils without dulling, damaging, etching or harming floor finishes, even when used for daily applications. Leaves no film or residues. It is safe for cleaning terrazzo, marble and other surfaces sensitive to low and high pH. This product is designed to also be used for daily auto scrubbing or damp mopping of hard surface floors. SEB64 is a safe, versatile, eco-preferable* product that does not sacrifice performance. It will clean, degrease, brighten and deodorize floors, windows, walls, countertops, toilets, sinks and many other surfaces not harmed by water. It is also an effective odor neutralizer against the toughest malodors in grease traps, drains and other places where unpleasant odors are found. Product is designed for use with Quick Mix® and Handy Mix® dispensing systems.

FEATURES

- Fast-acting general-purpose cleaner formulated with neutral pH range
- Concentrated to reduce waste and lower end-use costs
- Deep cleans hard floor surfaces to prolong the life of floor finishes
- Will not dull or damage floor finishes
- Leaves no sticky or soapy residues to discolor or attract soils
- Meets Green Seal™ GS-37 performance standards
- Performs as well as nationally recognized products in its category when tested using ASTM D4488 Cleaning Performance Test

Plus, like all Staples® brand products, the quality is guaranteed. It's a real win-win for you — and the environment.

*Compared to conventional cleaning products.

Certification Definitions

This product contains ingredients with more positive health and environmental characteristics than conventional cleaners. epa.gov/saferchoice.

EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice logo signifies that the product's formula, as Staples has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Staples, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Staples' non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Standard and based on currently available information and scientific understanding.

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

This product meets applicable NSF Non-food Compound Registration Guidelines for use in non-processing areas of food establishments. www.nsf.com

All plastic containers used in packaging products display the Society of Plastics Industries' 3-side triangular arrow to make recycling easier. The majority of our containers are readily recyclable and classified as 2-HDPE (high-Density Polyethylene) and some contain 25% post-consumer recycled plastic.

These specifications were correct at the time of printing but are subject to change without notice.
