

# 64 Neutral Multi-Purpose Cleaner

**Powerful, neutral multi-use cleaner formulated to clean the most sensitive surfaces.**

Coastwide Professional™ 64 Neutral Multi-Purpose Cleaner is a versatile, highly concentrated all surface cleaner. The pH neutral formula is designed to be used on all surfaces not harmed by water.

## Features

- Fast-acting, general-purpose cleaner formulated with neutral pH range
- Concentrated to reduce waste and lower end-use costs
- Deep cleans hard floor surfaces to prolong the life of floor finishes
- Will not dull or damage floor finishes
- Leaves no sticky or soapy residues to discolor or attract soils
- Meets Green Seal™ GS-37 performance standards
- Meets EPA Safer Choice product standards

## Directions

Apply cleaner to surface.

Wipe, mop, or scrub away soils.

## Use On:

Floors

Breakrooms

Bathrooms

Workspaces

# COASTWIDE

This product contains ingredients with more positive health and environmental characteristics than conventional cleaners. Learn more at [epa.gov/saferchoice](http://epa.gov/saferchoice). EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice logo signifies that the product's formula, as Coastwide Professional has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Coastwide Professional, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Coastwide Professional's non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Standard and based on currently available information and scientific understanding.

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human and environmental toxicity. Learn more at [GreenSeal.org](http://GreenSeal.org).

This product meets applicable NSF Nonfood Compound Registration Guidelines for use in non-processing areas of food establishments. Learn more at [nsf.com](http://nsf.com).

All plastic containers used in packaging products display the Society of Plastics Industries' 3-side triangular arrow to make recycling easier. The majority of our containers are readily recyclable and classified as 2-HDPE (High-Density Polyethylene) and some contain 25% post-consumer recycled plastic.
