GENERAL-PURPOSE CLEANER

Sustainable Earth

By Staples®

**High-performing heavy-duty cleaner
formulated for your toughest cleaning jobs**

PRODUCT DESCRIPTION

Sustainable Earthy by Staples® General Purpose Cleaner 78 (SEB78) is a versatile, eco-preferable*, ready-to-use cleaner that delivers great performance on a variety of surfaces. Use it to clean and degrease floors, windows, walls, countertops, cabinets, carpets, toilets, urinals, sinks and many other types of surfaces not harmed by water. SEB78 effectively removes industrial grease and oil, animal fats, permanent marker ink, crayons, ballpoint ink, heavy-finish buildups, shower room soap scum, fingerprints and most water- or oil- based soils. It can be applied with a sponge, cloth, wiper, squeegee, squirt bottle or a trigger sprayer assembly.

FEATURES

- Safe for metals and glass surfaces
- Less than 1% VOC
- Effective on both oil- and water-based soils
- Leaves no sticky or soapy residues to attract soils
- Versatile formulation cleans nearly any surface not harmed by water
- Low odor makes it pleasant to use
- EPA DfE recognized

PACKAGE SIZE

Physical Form: Clear, green liquid

Odor: Citrus

pH (as is): 6.5-7.5

Foam Level: Low

Shelf Life: 2 years minimum in unopened container

Freeze/Thaw Stability: Excellent

Solubility in water: Complete

Dilution Ratio: Ready-to-use

Usage Information

Apply SEB78 to a clean cloth (or directly onto surface) and wipe away soil. Tougher soils may require slightly longer "contact times" to allow time for this product to penetrate stubborn soils attached to surfaces. Cleans all types of hard surfaces not harmed by water. Removes soap scum, urine stains and pet odors. Use to clean air vents, floor drains and garbage cans.

It is always good practice to use safety goggles when handling chemicals. Read and understand SDS and label directions before use. Always follow good industrial hygiene practices when using chemicals. Improper use or improper dilution could result in damage to cleaning surfaces or to personal health. Dispose of product and container in accordance with all applicable federal, state, regional and local regulations.

About Sustainable Earth by Staples®

Our exclusive eco-preferable® line offers great ways to get the products your business needs and to lessen the impact on the environment. Every Sustainable Earth by Staples® product meets our brand's highest environmental standards.

Plus, like all Staples® brand products, the quality is guaranteed. It's a real win-win for you — and the environment.

*Compared to conventional cleaning products.

Certification Definitions

This product contains ingredients with more positive health and environmental characteristics than conventional cleaners. epa.gov/saferchoice.

EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice logo signifies that the product's formula, as Staples has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Staples, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Staples' non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Standard and based on currently available information and scientific understanding.

All plastic containers used in packaging products display the Society of Plastics Industries' 3-side triangular arrow to make recycling easier. The majority of our containers are readily recyclable and classified as 2-HDPE (high-Density Polyethylene) and some contain 25% post-consumer recycled plastic.
