Glass & Mirror Cleaner

Glass Cleaner

Brighton Professional Glass & Mirror Cleaner is an aggressive and versatile glass cleaner which quickly dissolves smudges, film, scum, smears, bug residue and other stubborn soils. The nonammoniated formula effectively cleans indoor and outdoor glass surfaces, hot or cold. The enriched white foam does not streak and is safe for use on window tinting, clear plastic, mirrors, and other glass surfaces. A unique 360-degree valve allows spraying in any position to reach even the hardest places and handle the toughest angles. For use in industrial and institutional settings, glass and mirror manufacturing, window installation, vehicle detailing, windshield replacement, marine/RV and more.
