Dry Air Fresheners

Air Fresheners

Brighton Professional Dry Air Fresheners combine quality, fragrances and essential oils with state-of-the-art odor counteractants. They quickly eliminate and neutralize foul odor, cigarette smoke, decaying smells and more. Ultra-fine particulate spray spreads evenly. Treat large areas in seconds without fallout or staining. Brighton Professional's aerosol air fresheners are CARB and OTC VOC (Volatile Organic Compound) compliant and contain no ozone depleting materials. Brighton Professional Dry Air Fresheners are powerful and come in a variety of fragrances.
