

# 70 Washroom Cleaner

**Highly effective washroom cleaner formulated to combat your toughest cleaning problems.**

Coastwide Professional™ 70 Washroom Cleaner is a highly concentrated citric acid based formula. It removes soap scum buildup, urine deposits, body oils and other stubborn soils.

## Features

- Contains no hydrochloric, phosphoric or hydrofluoric acids
- Removes residues caused by calcium, magnesium and rust stains
- Removes soap scum, mineral deposits, body oil residues and sources of odors
- Effective in cold water on both oil- and water-based soils
- Leaves no sticky or soapy residues to attract soils
- Low odor and no lingering or annoying smells
- Meets Green Seal™ GS-37 performance requirements
- Meets EPA Safer Choice product standards
- Exceeds cleaning efficiency percentage of most conventional washroom cleaners when tested using ASTM D5343 Cleaning Performance Test
- NSF Nonfood Compounds Program Listed (C2)

## Directions

Apply cleaner to surface.

Wipe, mop, or scrub away soils.

## Use On:

Porcelain restroom fixtures

Chrome fixtures

Tile

## Do Not Use On:

Wood

 This product contains ingredients with more positive health and environmental characteristics than conventional cleaners. Learn more at [epa.gov/saferchoice](http://epa.gov/saferchoice). EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice logo signifies that the product's formula, as Coastwide Professional has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Coastwide Professional, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Coastwide Professional's non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Standard and based on currently available information and scientific understanding.

 This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human and environmental toxicity. Learn more at [GreenSeal.org](http://GreenSeal.org).

 This product meets applicable NSF Nonfood Compound Registration Guidelines for use in non-processing areas of food establishments. Learn more at [nsf.com](http://nsf.com).

 All plastic containers used in packaging products display the Society of Plastics Industries' 3-side triangular arrow to make recycling easier. The majority of our containers are readily recyclable and classified as 2-HDPE (High-Density Polyethylene) and some contain 25% post-consumer recycled plastic.
