

61 Glass Cleaner

Concentrated and powerful glass cleaner formulated to meet your toughest cleaning challenges.

Coastwide Professional™ 61 Glass Cleaner is highly concentrated glass and multi-surface cleaner. It easily removes grease, film, grime, finger marks, smudges and other unwanted residues without streaking or smearing.

Features

- Highly concentrated to reduce waste and lower end-use costs
- Effective on both oil- and water-based soils
- Leaves no sticky or soapy residues to attract soils and leave streaks or smudges
- Versatile formulation cleans windows, glass, acrylics, Plexiglas and other sensitive surfaces
- No unpleasant ammonia, vinegar, alcohols or glycol ether odors to irritate nose, throat or respiratory systems or trigger asthma
- Contains less than 0.1% VOCs
- Meets Green Seal™ GS-37 performance standards
- Meets EPA Safer Choice product standards
- Outperforms nationally recognized products in its category when tested using CSMA Designation DCC-09 Cleaning Performance Test

Directions

Apply cleaner to surface.

Wipe, mop, or scrub away soils.

Use On:

Windows

Mirrors

Plexiglass

Glass doors

This product contains ingredients with more positive health and environmental characteristics than conventional cleaners. Learn more at epa.gov/saferchoice. EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice logo signifies that the product's formula, as Coastwide Professional has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Coastwide Professional, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Coastwide Professional's non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Standard and based on currently available information and scientific understanding.

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human and environmental toxicity. Learn more at GreenSeal.org.

This product meets applicable NSF Nonfood Compound Registration Guidelines for use in non-processing areas of food establishments. Learn more at nsf.com.

All plastic containers used in packaging products display the Society of Plastics Industries' 3-side triangular arrow to make recycling easier. The majority of our containers are readily recyclable and classified as 2-HDPE (High-Density Polyethylene) and some contain 25% post-consumer recycled plastic.
