CARPET CLEANER

Sustainable Earth

By Staples®

Powerful carpet extraction and bonnet buffing cleaner formulated to remove your most difficult carpet soils

PRODUCT DESCRIPTION

Sustainable Earth by Staples® **Concentrated High Performance Carpet Cleaner 62** (SEB62) is a safe, versatile, eco-preferable* product that does not sacrifice performance. It is a highly concentrated liquid carpet extraction cleaner that dilutes at one-half ounce per gallon of cool water in most cleaning situations. Expensive defoamers are not required. The product has its own built-in defoaming properties that effectively clean carpets with heavy shampoo and alkaline buildups. Formulated to resist resoiling. Product is designed to be used with Quick Mix® and Handy Mix® dispensing systems.

FEATURES

- Highly concentrated to provide maximum savings
- Use as a carpet cleaner, bonnet buffing cleaner or carpet prespray
- Effective on both oil- and water-based carpet soils
- Leaves no sticky or soapy residues to attract soils to carpet fibers
- Versatile formulation cleans carpets and entrance matting while eliminating unwanted odors
- Low odor makes it pleasant to use and reduces local complaints
- Low foaming to prevent recovery tank clogging
- No harsh acids or alkalis, which helps to protect equipment
- Special ingredients provide color enhancement for carpet fibers
- Superior detergency to remove toughest of soil
- Safe on all generations of carpets
- Contains no 2-butoxyethanol
- Contains no alkalis, phenol ethoxylates
- Formulated with rapidly biodegradable surfactants
- Meets Green Seal™ GS-37 performance standards

Carpet Cleaner

Available exclusively from:

STAPLES Advantage

Usage Information

SEB62 is formulated to work effectively with cold water. It is recommended that the product be used with cold water to help save energy used to heat water.

1. Remove appropriate furniture and vacuum carpet thoroughly.
2. Prespray carpet spots and heavily soiled traffic lanes using an appropriate carpet prespray, traffic lane cleaner or carpet spotter.
3. Dispense or mix ½ ounce of SEB62 Carpet Cleaner with each gallon of water.
4. Mix or pour solution into extractor or use for bonnet buffing and clean the carpet according to the machine manufacturer's instructions.
5. Reset the pile by brushing in one direction with a carpet rake or carpet brush.
6. Replace furniture after carpet has dried thoroughly.

Wear protective gloves/protective clothing/eye protection/face protection when handling concentrated product. Wash face, hands and any exposed skin thoroughly after handling. Read and understand SDS and label directions before use. Always follow good industrial hygiene practices when using chemicals. Improper use or improper dilution could result in damage to cleaning surfaces or to personal health. Dispose of product and container in accordance with all applicable federal, state, regional and local regulations.

Physical Data

Physical Form: Clear, light green liquid
Odor: Citrus
pH Concentrated: 5.0-7.0
pH Diluted (1:256): 6.0-8.0
Foam Level: Low
Coverage: 1,750 up to 3,500 sq. ft. per gallon
Concentrated: Reduces package waste
Shelf Life: 2 years minimum in unopened container
Freeze/Thaw Stability: Excellent
Solubility in Water: Complete
Dilution Ratio: 1:256 (One gallon of concentrated SEB62 Carpet Cleaner makes 257 gallons of ready-to-use high-performance carpet cleaner.)

Plus, like all Staples® brand products, the quality is guaranteed. It's a real win-win for you — and the environment.

*Compared to conventional cleaning products.

Certification Definitions

This product contains ingredients with more positive health and environmental characteristics than conventional cleaners. epa.gov/saferchoice..

EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice logo signifies that the product's formula, as Staples has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on Staples, its integrity and good faith, for information on the product's composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of Staples' non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Standard and based on currently available information and scientific understanding.

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

All plastic containers used in packaging products display the Society of Plastics Industries' 3-side triangular arrow to make recycling easier. The majority of our containers are readily recyclable and classified as 2-HDPE (high-Density Polyethylene) and some contain 25% post-consumer recycled plastic.
