Pine DC Plus™ One-Step Germicidal Detergent

A one-step disinfectant cleaner that is effective against a broad spectrum of bacteria and viruses and inhibits the growth of mold and mildew. When used as directed, Pine DC Plus will deodorize surfaces in toilet areas, behind and under sinks and counter, garbage cans and garbage storage areas, and other places where bacterial growth can cause malodors. Recommended for use in hospitals, public restrooms, athletic facilities, restaurants and bars, airports, hotels and motels. Contains no phosphorous. Pine DC Plus is a no-rinse neutral pH disinfectant cleaner that disinfects, cleans and deodorizes in one labor-saving step. Provides effective cleaning strength that will not dull most metal-interlock floor finishes, and does not require a rinse prior to recoat. Pine DC Plus is recommended for nonscratch cleaning of showers and tubs, shower doors and curtains, fixtures and toilet bowls.
