

Enzyme Plus™

Odor Counteractant

Concentrated liquid enzyme cleaner for odor control, drain maintaining and carpet spotting.

Item #	Description	Size	Units Per Case
BPR735032-A	Enzyme Plus™	Quart	12
BPR735001-A	Enzyme Plus™	Gallon	4

Features

- Highly concentrated to break down organic waste and eliminate odors
- Nonpolluting and biodegradable
- Quick cleaning action
- Instant and residual odor control
- Use in grease traps, drains and garbage cans
- Safe on all generations of carpets
- Contains no butyl or other ingredients potentially harmful to workers
- Highly concentrated to provide maximum savings
- Contains safe, nonpathogenic organisms
- Nonacid and noncaustic
- NSF Nonfood Compounds Program Listed (C1)

Enzyme Plus™

Odor Counteractant

The powerful but safe enzyme-producing bacteria contained in Enzyme Plus™ breaks down various types of organic matter such as proteins, carbohydrates, fats, urine, blood, grass, chocolate, milk and egg. Enzyme Plus employs a balance of safe, nonpathogenic bacteria selected for their stability and broad spectrum effectiveness. These bacteria produce enzymes which break down organic wastes into simpler compounds. By digesting organic waste, Enzyme Plus eliminates the source for malodors. This natural, biological process of breaking down organic waste and eliminating odors is environmentally responsible. Enzyme Plus is nonpolluting, containing no acids or corrosives. Highly concentrated enzymes remove odors in drains, carpets and garbage containers. Enzymes produce odor-killing organisms in a fully biodegradable and pH neutral process. It is an effective treatment for grease traps, septic tanks, portable toilets, pet stains and odors.

Physical Data

Physical form: Clear light-colored liquid
Odor: Lemon
pH (Concentrate): 7.8–9.2
pH (Diluted 1:64): 8.0–9.0
Foam level: Low
Freeze/thaw stability: Excellent
Phosphates: None
Surfactant biodegradability: Complete
Solubility in water: Complete
Shelf life: 2 years minimum in unopened container

Performance Data

Dilution ratio: 1:64
Drain cleaning and odor removal: Outstanding
Carpet deodorizing: Outstanding
Garbage and waste receptacle deodorizing: Outstanding
Grease-trap cleaning: Outstanding
Pet stains and odor removal in carpets: Outstanding
Septic tank cleaning and deodorizing: Outstanding
Portable toilet treatment: Very good
