## Sani Cleanse™ RTU Bowl, Tile and Porcelain Cleaner

An EPA registered, highly active, yet mild phosphoric acid-based cleaner designed to cling to vertical surfaces for better cleaning action. A mild all purpose cleaner that combines detergent and wetting agents coupled with a phosphoric acid base. Eliminates rust, lime, organic deposits and offensive odors from wash basins, bath tubs, shower stalls, drinking fountains, glazed tile, porcelain enamel, toilet bowls and urinals. Efficacy tests have demonstrated Sani Cleanse to be an effective one-step bowl/tile/porcelain cleaner disinfectant in the presence of organic soil (5% blood serum). Recommended for use in commercial or industrial buildings, hotels and motels.
